Trail Conference Maps on Apple and Android Devices!!

More than 40 of our great trail maps are now available
for download on Apple and Android mobile devices.

Download the **free** *PDF Maps* app today!

*Scan this QR code to
download the app on
your Apple device*

*Scan this QR code to
download the app on
your Android device*

Once the *PDF Maps* app is installed, navigate to
the Map Store and search for "**nynjtc**" to find our
selection of more than 40 free and paid maps.

Using the free *PDF Maps* app from Avenza, you can pinpoint your
location on a map, track your route, mark waypoints and geotag
photos, measure distances, and much more!

The Trail Conference has made available its popular series of trail
maps covering more than 2,000 miles of trails throughout the
region. They are a mix of trail maps available for free and
available for purchase, so check them out today!

**Add waypoints at your current
location and import/export waypoints**

**Enlarge maps using high-resolution
mobile device displays**
