Instructions for:

Appalachian Trail Corridor Management Report

In preparing the report form, please be guided as follows:

- 1. List tract numbers in numerical sequence. Use an extra form for more than eight tracts.
- 2. Please make **complete description** of an box checked on form. Use additional sheets, photos, or sketched maps if necessary. Feel free to make suggestions for follow up procedures.
- 3. Do not report trail miles.
- 4. Please type or print plainly.
- 5. Complete the Maintenance Report as soon as possible after the inspection has been made and forward it to your Club's Monitor Coordinator.
- 6. Retain a copy for your club files.

If questions, problems, or emergencies arise that need **immediate attention**:

Call or Write your Regional Representative:

New England Regional OfficeMid Atlantic Regional OfficeCentral & SW VA Regional OfficePO Box 312PO Box 6251280 North Main StreetLyme, NH 03768-0312Boiling Springs, PA 17007-0625Blacksburg, VA 24060603/795-4935717/258-5771540/961-5551

ATC and the Clubs have the obligation to inform the National Park Service, at 304/535-2346 within 24 hours for all emergencies, and for all law enforcement and land management incidents.

se this space for additional comments from the front of the form.
